Minutes must be kept of all public meetings and must be available to the public upon request not more than five business days after the public meeting. A business day means the hours of 8 am to 5 pm on Monday through Friday, excluding national and state holidays. The minimum content of meeting minutes includes: (1) names of members present; (2) other people participating (it is not necessary to list everyone present, however); (3) a brief summary of subject matter discussed; and (4) any final decisions reached or action taken. There is no legal requirement to accept or approve the minutes. Even if minutes have not yet been approved, they still must be made available not more than five business days after the public meeting. When the five business day deadline is reached before the minutes are approved, they can be made available to the public with a notation that they are a draft version.

Chairman Hiland would like to meet with Josephine Belleville from the Department of Revenue (DRA). She wrote the recommended changes to the assessing contract. Jason Call, Albany’s assessor should be at the meeting as well to discuss.

Phil Bodwell, DRA appraiser supervisor, visited the office. He and Brenda Pabon, DRA appraiser, will be overseeing Jason’s work throughout the year.

The NH State Fire Marshall came in to look at the building permit application submitted by Huttopia. There are state code violations that need to be remedied before they can open.

Heidi Lawton, NH Homeland Security came to the office to inform the town of the different ways the EMPG grants may be used. The grant that the town already applied for should be approved soon. It will cover 50% of the cost to put panic hardware on the town hall doors.

Conservation Commission – Cathy - the farmers are waiting for the final contract from the town attorney. Different farming issues were discussed. Problems arose from dogs running through the farms. Signs are to be placed. The Conservation Commission is requesting a policy to be approved by Selectmen allowing boards and commissions to accept a dollar amount as a gift without the Selectmen’s direct approval
School Board – Joe-none
Other: Rick- Farmer’s contract update-recommendations from town counsel as well as Primex have been added to the farmer’s contract. It has been sent to Conservation Commission Chair, Rob Nadler to distribute to the farmers. Rick- proposal regarding accepting small gifts-. Chairman Hiland spoke with town counsel and agreed that $200 will be the maximum allowed gift.

Rick- meeting with Curtis and Forest Service Engineer regarding the Covered Bridge and program to fix Passaconway Rd.-the Forest Service Engineer told Chairman Hiland and Curtis they cannot place a barrier before the Covered Bridge. There are no parameters to follow, so it would be out of line. The engineer gave Curtis suggestions for signage to protect the bridge.

Rick-meeting with three member committee that approves funding for the program to fix Passaconaway Rd.-the Forest Service Engineer also discussed Passaconaway Rd. He gave Chairman Hiland contact information for the people who oversee the federal lands access program (FLAP). Passaconaway Rd. would qualify as an access road to federal lands. Funding may be available to help fix the road. Chairman Hiland would like North Country Council to be involved with this.

Discuss town computer vulnerabilities-Chairman Hiland thought it would be prudent to have Computer Port in to evaluate the security of our network and then come to a meeting to report on it.
Correspondence: Proposed changes to the Conway Solid Waste Ordinance

Public Comment: Dorothy Solomon asked that no parking signs be placed at the bottom of Moat View Drive as well as on the Kancamagus Highway at the bottom of Moat View Drive. It is very dangerous.

Dorothy asked the Board if they intend on charging rent for the town hall for gatherings such as the annual turkey dinner. It benefits Albany residents. Chairman Hiland’s concern is for liability and thought maybe a rider could be added to the Town’s policy to cover these events.

Next Meeting: May 24 5 PM

Adjournment:

At 7:17 p.m., Selectman Ferris made a motion to adjourn, Selectperson Ryan seconded the motion and all were in favor.

Respectfully Submitted,

Kathleen Vizard
