Minutes must be kept of all public meetings and must be available to the public upon request not more than five business days after the public meeting. A business day means the hours of 8 am to 5 pm on Monday through Friday, excluding national and state holidays. The minimum content of meeting minutes includes: (1) names of members present; (2) other people participating (it is not necessary to list everyone present, however); (3) a brief summary of subject matter discussed; and (4) any final decisions reached or action taken. There is no legal requirement to accept or approve the minutes. Even if minutes have not yet been approved, they still must be made available not more than five business days after the public meeting. When the five business day deadline is reached before the minutes are approved, they can be made available to the public with a notation that they are a draft version.

Town Administrator’s Report:
Chairman Hiland called to report he spoke with Conway Selectman Carl Thibodeau, who told him, according to the NHDOT GACIT plan, the two Route 16 Conway village projects have been combined and is projected to begin in 2019. The preliminary engineering for Albany’s project has been pushed back to 2020 for widening and placing shoulders on Route 16. Chairman Hiland discussed the specifics of the timing.

The Town Hall had no heat. The plumber came and replaced the fan limit control. The heat is now working but does not come up to temperature. The plumber will be contacted again.

The Albany Town Hall guest internet access now has a password. Chairman Hiland noted cars were parking in the town hall parking lot to use the Wi-Fi.

The Town Administrator reached out to Brad Simpkins regarding the reporting of PILT the Department of Interior. He has no information yet and will be in touch after the New Year.

Gemini Sign submitted a quote for a new municipal sign in the amount of $1,280. It can be added to the 2018 municipal budget.

The Tax Anticipation Note has been paid in full. Albany borrowed $380,000 and paid $2,369.68 in interest.

The town hall roof is scheduled to be shoveled.

The Health Officer visited One Wheel Drive to see how they are disposing of their black water. The owners reported once their tank is full, they empty it into their septic tank, so their septic cover is not open 24/7.
