Minutes must be kept of all public meetings and must be available to the public upon request not more than five business days after the public meeting. A business day means the hours of 8 am to 5 pm on Monday through Friday, excluding national and state holidays. The minimum content of meeting minutes includes: (1) names of members present; (2) other people participating (it is not necessary to list everyone present, however); (3) a brief summary of subject matter discussed; and (4) any final decisions reached or action taken. There is no legal requirement to accept or approve the minutes. Even if minutes have not yet been approved, they still must be made available not more than five business days after the public meeting. When the five business day deadline is reached before the minutes are approved, they can be made available to the public with a notation that they are a draft version.

• **Town Administrator report:**
The locksmith is scheduled to replace door knob cylinders on Thursday, August 11.

The Health Officer has inspected property at 5 Moulton Drive. He has issued a letter of violation to the owner to clean up the trash and debris from the property by August 31. He noted there is other debris on the property that may be a violation of the junkyard laws. Selectman Ferris will take inventory of the property.

The property at 1024 West Main St. Ext. that was taken by Tax Collector’s deed in 2013 is ready to be put out to sealed bid or auction. The Board discussed the minimum bid and what is owed on taxes. Selectman Ferris made a motion to put the property up for sealed bid with a minimum bid of $6,000, Chairman Ryan seconded the motion and all were in favor.

The security codes and contact list have been updated with Pope Security.

- Conservation Commission meeting-the Board was pleased with the results of the meeting last night. The Board expressed their concerns and the Commission responded in kind. It was agreed the boards will move forward and they were on the same page as far as the lease agreements. They spoke of meeting with Conway and discussing the possibility of being taxed on the land and who will be responsible for that. Chairman Ryan would like to see any agreement made in writing. Selectman Hiland felt the legislators may need to get involved to resolve some of the time restraint issues in the law. Currently the Selectmen may sign a one year lease of town land unless given permission by the legislative body to sign a lease for up to five years. In order for farmers to receive funding for equipment, banks want to see a longer lease.

A meeting will be set up after the elections this fall.
