Minutes must be kept of all public meetings and must be available to the public upon request not more than five business days after the public meeting. A business day means the hours of 8 am to 5 pm on Monday through Friday, excluding national and state holidays. The minimum content of meeting minutes includes: (1) names of members present; (2) other people participating (it is not necessary to list everyone present, however); (3) a brief summary of subject matter discussed; and (4) any final decisions reached or action taken. There is no legal requirement to accept or approve the minutes. Even if minutes have not yet been approved, they still must be made available not more than five business days after the public meeting. When the five business day deadline is reached before the minutes are approved, they can be made available to the public with a notation that they are a draft version.

  Selectman Hiland will attend the Eastern Slope Airport Authority quarterly meeting next week.
Selectman Hiland said a budget workshop is to be held in Bartlett in the fall.

Selectman Hiland handed out his notes from Capital Copy regarding printing, stuffing and mailing tax bills. It should be taken into consideration when discussing semiannual billing.

Chairman Ryan said the Cemetery Trustees are trying to put a meeting together.

Chairman Ryan asked the Board if they would like to hold a work session on June 29, even though it is the fifth Wednesday of the month and they typically do not meet. The Town Administrator is on vacation on July 6 and Chairman Ryan has a discrepancy and cannot make the Selectmen’s meeting scheduled for July 13. The Board agreed to meet for a work session on June 29.

Selectman Hiland would like to invite all of the bidders come in to discuss replacing the town hall’s double doors, so the Board can compare exactly what is to be done.

The Board discussed semiannual billing and the cost associated. They would like to know how much time it will take the Tax Collector to collect taxes and the cost associated. The Tax Collector, Kathy Vizard, told the Board she will request an increase in her budget of $5,000. Chairman Ryan said she spoke with other Tax Collectors in the area and they told her that semiannual billing is twice the work. Selectman Ferris thought taking a tax anticipation note would be cheaper. Selectman Hiland responded as long as the interest rates stay low. Selectman Ferris would also like to look into changing to a fiscal year. Selectman Hiland replied it would take up to three years to make that change. The people should decide what they want. Selectman Ferris replied it should be decided by the legislative body.
