Minutes must be kept of all public meetings and must be available to the public upon request not more than five business days after the public meeting. A business day means the hours of 8 am to 5 pm on Monday through Friday, excluding national and state holidays. The minimum content of meeting minutes includes: (1) names of members present; (2) other people participating (it is not necessary to list everyone present, however); (3) a brief summary of subject matter discussed; and (4) any final decisions reached or action taken. There is no legal requirement to accept or approve the minutes. Even if minutes have not yet been approved, they still must be made available not more than five business days after the public meeting. When the five business day deadline is reached before the minutes are approved, they can be made available to the public with a notation that they are a draft version.

Selectmen’s Reports:

Selectman Rose will not be able to attend Selectmen meetings on November 11 and 18. He could not attend the Eastern Slope Airport Annual Meeting and asked Rick Hiland how it went. Rick replied it was well attended and the barbeque was good. Selectmen and town managers from Fryeburg as well as Conway attended. Rick reported that the local towns in New Hampshire use the airport more than the Maine towns.

Selectman Rose made a motion to place a windowed cabinet in the hallway to sell t-shirts and hats for the Historical Society. Chairman Robitaille likes the idea but thought it may open the door for other groups to request the same. Selectman Rose thought town hall is the optimal place to sell the shirts and hats. Lee Grant reminded the Board that there are already books for sale at town hall for the Historical Society. Rick Hiland thought if the Historical Society was a Commission, it would be connected to the town and the sale of the t-shirts and hats would be town sponsored. Dorothy Solomon asked if the cabinet would be large enough to put the books in. Selectman Rose
hadn’t thought of that but he will try to find one large enough for the books too. Chairman Robitaille seconded the motion and all were in favor.

The Board discussed the noise that the rumble strips make. Selectman Rose noted the Conway Selectmen didn’t support the rumble strips for that very reason.

Selectman Ryan will not be able to make the Selectmen’s meeting scheduled for October 28.

The Selectmen’s office and the Town Clerk’s office will be closed on Monday, September 7 for Labor Day. The Selectmen’s office will be closed on Thursday, September 10 for conference attendance.
